

Sticky Note Super Structure

1

Take 4 sticky notes and join them together using the sticky edge. Join one sticky edge to the other non-sticky edge.

2

Join all 4 together until you have this shape.

3

Make 4 of these and join them together at their points to make a brick. You can add more to make a larger brick.

4

Add to the middle to create a super structure. Let's see if we can reach the roof!
